presents

Master Class Series

15th April 2026,
Wednesday

8:00 pm
onwards

Platform: ZOOM

Duration: 90 minutes

Dear Esteemed Colleagues,

We are pleased to announce 11th meeting of the Delhi Spine Society Education series, a dedicated initiative aimed at enhancing the knowledge and skills of orthopedic surgeons, spine surgeons, and neurosurgeons in the rapidly evolving field of spinal care.

This series is designed to develop an environment of continuous learning and professional development. Each session will feature expert speakers who will share their insights on the latest advancements in spinal surgery, innovative techniques, and evidence-based practices. We encourage interactive discussions.

Our goal is to equip you with the most current information and practical skills.

Together, let's advance our knowledge and enhance our capabilities to better serve our patients and the healthcare community.

Looking forward to your enthusiastic participation.

Dr. Vikas Tandon
President,
Spine Society Delhi Chapter

Dr. Ankur Nanda
Secretary,
Spine Society Delhi Chapter

Dr. Gururaj Sangondimath
Chair education committee and convenor,
Spine Society Delhi Chapter
